Reserve with Google

Boost Your Venue's Visibility!

Let customers discover your Tripleseat venue listing directly using Reserve with Google, making it effortless for them to request quotes and start planning their perfect event.

1 For listings with the integration enabled, a Tripleseat lead form link will be available on Reserve with Google under Reservations.

2 The link will bring customers to a listing page with the venue information and Event Quote Request Form.

3 The completed request form will come into Tripleseat as a lead.

INTEGRATION DATA FLOW

Reserve with Google

The Event Quote request form includes all of the following fields:

- Event Type
- Event Date
- Start Time
- End Time
- First Name
- Last Name
- Phone Number
- Email
- Number of Guests (optional)
- Company Name (optional)
- Message (optional)

Leads submitted through this request form will come into Tripleseat with a **Google Integration** lead source.

Note: This integration is available for all Tripleseat users who are listed as a Restaurant, Bar, or Bakery on their Google Business Profile.

To manage the integration, head to Settings > EventUp > Edit Public Listing.
